Work JDS Development Group, New York, NY
Graphic Designer, June 2015 – present
Design Intern, June 2014 – August 2014

Work with the Director of Brand and Marketing of a real estate development company to strategize and promote the company brand. Plan company hosted events and campaigns, including the annual symposium. Develop brand for residential projects and design all identity graphics including logos, websites, floor plans, stationery, and brochures. Design all in-house graphics, including presentations, brochures, invitations, and company website. Provide creative direction to freelance designers.

HCRL: Brown School, St. Louis, MO
Design Intern, December 2014 – March 2015, December 2013 – April 2013

Designed a range of graphics for a health communication research laboratory including brochures, series of medical posters, and websites. Created data animations and infographics for *For the Sake of All*, a multi-disciplinary project on the health and well-being of African Americans in St. Louis. Clients included the Barnes Jewish Hospital and local clinics.

Storytrack LLC, St. Louis, MO
Web Design Intern, June 2013 – August 2013

Worked directly with the president of a video production agency to concept, wireframe, and design the company website. Implemented designs using HTML, CSS, and Javascript. Worked closely with the developer and digital strategist to create a compelling user experience for all digital collateral.

Freelance Design, Various Locations

Participated in many different design projects for small and big businesses, including a tech startup, food market, a design gallery, and a real estate company. Tasks included mobile app design, web design, and brand identity development.
